

## BLOOMING ICE CUBES

Many flowers are edible\* and can add an elegant flair to individual beverages or punch bowls. Choose from the following flowers and fill ice cube trays with water. Submerge one flower or petals in each cube and freeze.

- Pansy
- Violas
- Nasturtiums
- Mint leaves
- Impatiens
- Rose
- Snapdragon

*\*Not all flowers are edible. Please be sure you are using edible varieties and that no pesticides or chemicals were applied to your flowers!*
